

## Rules for Non-Professional LSC Member Dealers (NPDs)

These rules were approved by the Executive Committee on October 28, 2019.

- All Lakeshore Stamp Club members who wish to become NPDs will need to have paid their membership dues.
- All NPDs are encouraged to sell mainly philatelic material.
- All NPDs will need to apply yearly to the Executive Committee using the form provided (see below).
- Upon approval by the Executive Committee, an NPD will be allowed to sell his/her material during only one of the two regular bourse meetings each month, thus allowing him/her to also participate in the regular bourse activities at alternate meetings. This privilege is provided for a full year (September to June).
- An NPD must inform the person in charge at least two weeks in advance that he/she will want to sell material during the upcoming bourse meeting.
- There will be a maximum of three (3) NPDs per bourse meeting.
- All NPDs will pay a 10% fee on their sales, preferably at the end of each meeting or at least at the last bourse meetings in December and in May .
