

The club maintains a library of philatelic publications and Scott catalogs. A steel file containing the various publications is placed beside the bourse during our regular meetings. When a member removes a publication or catalog from the file, either to take home or read during the meeting, the member must fill out a log indicating which catalog or publication was removed. The log is supplied by the Bourse Manager or the Librarian.

The publications in our library are:

- *American Philatelist*
- *Canadian Philatelist*
- *Canadian Stamp News*
- *Gibbons Stamp Monthly*
- *Philatelic Exhibitor*
- *Timbres Magazine (français)*
- *Topical Times*

## Virtual Library

Many of our members are willing to loan out philatelic books and articles they may own to other members of the club.
